**Beware of Scam Communications via Social Media  
Claiming to Represent Otsuka Medical Devices**

Otsuka Medical Devices Co., Ltd. has recently identified an attempted scam in which a person who has no relationship with the company created a fraudulent social media account, claimed to be a director of the company, and sought to enter into business transactions with customers or other third parties.

Otsuka Medical Devices Co., Ltd. does not conduct any business transactions through social media accounts.

Therefore, please exercise extreme caution regarding any communications you receive via social media or e-mail in which someone solicits business from you, claiming to be an officer, director or employee of Otsuka Medical Devices Co., Ltd.

Thank you for your consideration
